

STREET NAME:

PHOTO PERMISSIONS

Parental consent is required for photos of under 18s that are sent to Our Street Party by street party organisers and street residents. Our Street Party is a volunteer organisation and works in partnership with the charity Sustainable St Albans to encourage residents to build community by holding a street party. Photos are vital for the work they do.

I give permission for Our Street Party and Sustainable St Albans to use photographs that include my child for the purpose of evaluating and promoting street parties in printed media and online, and also to share those photos with sponsors and funders of their work. I understand that my child will not be named in any material.
